## A NOTE FROM THE DIRECTOR

I would like to recognize the passion, dedication, and energy of the 2023 Backhausdance Summer Intensive students over the past three weeks. In 204 classes, our program engaged a diverse group of more than 80 students from Arizona, California, Colorado, Georgia, Idaho, Illinois, Missouri, Oregon, Pennsylvania, Texas, Washington, and Wyoming. It has been a true pleasure to watch the dancers grow technically and artistically while pushing boundaries and fostering a community of collaboration. Tonight, it excites me to see them perform and bring to life one of our most recent Backhausdance repertory works. I'd like to thank our current Backhausdance company dancers for the intention and creativity they put into remounting *One Continuous Line* for the largest cast ever to perform it! My gratitude also goes out to our inspiring 2023 intensive faculty, musicians, staff, volunteers, and production crew. Enjoy!
